

CRM Cleansing & Consolidating Done Right

Are missing or invalid contacts impacting your marketing efforts and sales forecasts ?

Why SaleBuild?

- More Contacts Appended across the globe
- Cost Effective & Highly Accurate
- Money Back Guarantee

As a Marketing professional you know that an accurate CRM system is a key component of every direct marketing campaign and lead generation effort. But you also know how difficult and expensive it is to accurately maintain the contact data in your CRM system. SaleBuild provides a cost effective solution to the problem of stale CRM information and allows you to capture more valid contacts on a global basis.

SaleBuild uses proprietary tools, methodologies, and processes coupled with highly skilled on shore & off shore resources that allow contact information to be corrected in an automated manner coupled with manual research and intervention where required.

- SaleBuild offers a very high level of quality and is the only vendor that offers a 100% warranty on its data services.
- Comprehensive methodologies & a five step multi-layered QA process insure that SaleBuild is a very low risk provider
- SaleBuild leverages a Global Delivery Model that allows our customers to enjoy price rates 30 - 40% lower than other providers with a higher rate of accuracy - resulting in a real cost per contact that is much lower than other vendors who base pricing on a 70% accuracy rate.
- Data Cleansing can never be a completely automated task. SaleBuild's Global Delivery Model cost structure allows the human intervention needed to guarantee the highest level of accuracy.

The SaleBuild advantage is clear -
more valid contacts, lower cost, with an accuracy guarantee .
