Discover Paradise

*(Close your eyes and imagine paradise.)*

A luxurious ship at your command. A captain that sails wherever you wish.

Untamed islands to discover. Reefs to explore. Meals when you please.

A day that's as busy or relaxed as you request, from moment to moment.

On Pleiades, you'll discover a world beyond your dreams.

And a captain and crew that exceed your every expectation.

Or, do absolutely nothing at all.

On board Pleiades, all you need is a whim and a sail

#### A SHIP TO BUILD A DREAM ON.

Staying aboard a yacht is like no experience on earth. The 43-foot Beneteau, Pleiades, pampers you with the utmost in ship-board comforts: a spacious cockpit, swim platform and airy cabins with generous storage. There is ample room aboard to sleep 7 and a dining table that seats 8 (although many guests prefer to dine on deck). In addition to her many amenities, Pleiades is also one of the greatest sailing vessels in the Grenadines, having won numerous races over the past five years.

#### YOUR CAPTAIN, SIMEON NERO.

If you've ever discovered a brand new place through the eyes of someone who has lived there for years, you'll appreciate the advantage of sailing with Simeon. With over 30 years of sailing experience and full certification, he's one of the most respected and knowledgeable captains in the Grenadines. An expert on the coral reefs and marine life off these islands, he'll treat you to the snorkeling experience of a lifetime at the Tobago Cays.

He'll guide you to uninhabited islands and enchanted places that others have yet to find. And he's happy to teach you sailing and navigation, awarding a certificate of instruction at the end of your voyage. When it comes to discovering this part of the world, there's no one more qualified to turn your every wish into a day-by-day itinerary.

#### A VACATION LIKE NO OTHER.

Design your own itinerary or depend on us to plan your trip. Sail for a week or as long as you wish. Plan family meals or gourmet fare. A sporting vacation or a romantic getaway. The crew of Pleiades takes great pride in creating a unique, customized voyage for everyone who sails with us. If you prefer to divide your time between land and sea, we're also pleased to recommend destinations and to arrange transportation and hotel or resort accommodations. Please call Simeon Nero at (809) 457-3335 or Mark Carter at 1(800)223-0599 (from the U.S.) to discuss your specific dates, plans and of course, whims.
